## 1 About this Version

This version features a whole new sport covered by Running Ball, Baseball. The new Baseball section features same basic functionality as other sports. A dedicated scoreboard, including features like current batter, pitcher, pitch count, balls, strikes and outs was introduced. In addition, a Baseball Field visualization providing information on the current base occupation is part of the scoreboard. The introduction of Baseball comes along with an upgrade of the "Race to X" feature which now includes runs, hits and errors.
